When to advertise?

Schedule your ads each week to reach your targeted audience. Repetition, consistency and timing will provide you with the best return on your investment. We devote stories with specific interest to three age-specific categories each month:

- **Seasoned Observer:** First issue of the month focuses on seniors, baby boomers and up.
- **Forever Family:** Second issue of the month focuses on family from conception to natural death.
- **Young Observer:** Third issue of the month focuses on youth - high school, late teens, mid-twenties.

Editorial content in the remainder of each issue provides a full range of articles and photos our readers have told us are pertinent to them.

The engagement and enthusiasm of our readers is definitely a value-added opportunity for you, the advertiser.
